

Dipl. Biol. Dirk Ullrich
Zoological Curator

Curator of AlpenZoo in Innsbruck, Austria. Alpenzoo is a non profit association. Our main source of income is the visitor's entrance fee. We receive additional financial support from the city of Innsbruck and the government of the Tyrol but also from the association „Freunde des Alpenzoo“, sponsors and animal adopters. We have about 300,000 visitors a year which means that we are one of the largest and most important socio-cultural institutions in the Tyrol
